

FOR PARENTS/GUARDIANS

Acknowledgements for Athletics

As a requirement of public health mandates, the State of Alaska, and recommendations from the CDC and WHO we, the Boys & Girls Clubs of the Kenai Peninsula, are requiring all parents to agree to, and acknowledge the following guidelines related to athletics participation. It is important to note that regardless of what illness you may believe it to be, if you or your child exhibits any symptom of COVID19, they **may not** come to the athletic activity and they **may not** participate until they are symptom free for 72 hours. In the event this occurs, you are required to contact info@bgckp.com to document the reasoning for your absence in order to receive a pro-rated refund for the days that you are absent. Refunds are not provided to anyone who is not sick, and the email documenting the child is sick must occur the day of, or prior to the missed days of athletic programming.

1. Each participant under the age of 10 will require 1 parent to stay with them for the duration of the athletic programming.
2. You agree to complete the health screening report at the start of each health screening.
3. You agree to arrive with adequate time to receive your health screening (20 minutes) prior to the start of the program.
4. Only one parent or guardian may stay with the child and be present for the duration of the athletic programming to comply with maximum number of people present. This may be changed during the programming, but I understand that initially this may be the case.
5. No additional children, unless they are participating in the program together, may be present for the athletic programming. This may be changed during the programming, but I understand that initially this may be the case.
6. Social distancing of at least six feet between non-household individuals will be maintained even while in line for the restroom facilities. I agree to remain socially distanced from other households during the athletic programming.
7. It is recommended by the State of Alaska that all non-participating individuals wear cloth face coverings.
8. You have received and acknowledge our COVID-19 mitigation plan.
9. You acknowledge and agree to ensure that you have provided the correct **mailing** address for you and your child(ren).
10. You accept and agree to the pre-screening requirements for participation as required by the State of Alaska. Failure to complete the screening document prior to each day of participation will result in your child having to return home.

11. You accept and acknowledge that your child may not participate in athletic programming, and must stay home if he or she exhibits any of the symptoms of COVID19.
12. We do not, and cannot take cash or check payments related to activities. This is in line with the health mandates recommendation.
13. All registrations must be completed before the deadline. Failure to do so will result in your child's inability to participate in the program.
14. If your child was sick, or exhibited any of the symptoms of COVID19, you will not return to the programming until 72 hours has passed from the end of the symptom and/or fever.
15. You will send an email to info@bgckp.com in the event that your child is sick the day of the missed practice or the day before. Failure to do so results in the inability to receive a refund for the missed practice.
16. If you have been exposed to COVID19 or believe you have been exposed to COVID19, you agree to notify info@bgckp.com and refrain from attending athletics programming for no less than two weeks after that exposure. In the event this occurs, and you send us an email, you will receive a refund for the prorated amount of time that you have missed.
17. If you have not been in the state for 14 days, have someone living in your home that has recently returned from out of state within the last 14 days, or have been ordered to self-quarantine, you agree to notify info@bgckp.com and to not have your youth participate in athletic programming for 14 days or return unless you and your youth have been symptom free for 14 days.
18. You agree to notify info@bgckp.com in the event that you or your youth is sick or has become sick within 7 days of participating in an athletic activity.
19. You agree that if you or your youth becomes sick 7 days from athletic activities, you will practice the recommended social distancing measures until you have been 72 hours symptom free.
20. You agree to our refund policy:
 - a. No refunds will be issued for an absence unless you have notified info@bgckp.com that your absence is related to an illness the day of the absence or prior to the missed absence.
 - b. Refunds that are issued will be pro-rated for absences that meet the criteria above and will be based on the number of days of athletic activity that has been missed.
 - c. Refunds will be issued in the event the season is cancelled for changes in health mandates or additional restrictions or guidance from State or Federal agencies, the Boys & Girls Clubs of the Kenai peninsula will refund the remainder of the season's fees-prorated based on the number of practices that have been cancelled as a result.
 - d. Failure to notify of the illness in a timely manner is forfeiture of the refund.
 - e. Refunds will be issued to the mailing address on record per the form.

21. You agree and acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that you or your child(ren) may be exposed or infected. You understand the risk of becoming exposed or infected, and you assume all of the forgoing risks and accept sole responsibility for any injury to you or your child(ren). You agree to all items in the COVID-19 Warning and Waiver form which you have signed.
22. You understand and agree that unexpected cancellations may occur as a result of modified or changed mandates from the State or Federal agencies related to COVID-19. In that event you will receive a refund that is prorated based on the time the cancellation occurs.
23. You agree to use hand sanitizer or have another method to ensure both you and your child has sanitary hands prior to beginning the athletic programming. Hand sanitizer will be available if you do not have any of your own.
24. You agree that you will not share food, or distribute food to anyone other than your child.
25. You understand and acknowledge that food and refreshments for participants will not be provided and are prohibited.
26. You agree to bring adequate hydration for your youth, or ensure your youth participates with adequate hydration. It will not be provided for them. In the event you cannot provide safe drinking water or hydration for that youth, you will email info@bgckp.com and we will facilitate clean drinking water for them.
27. Additional requirements for athletics programming may be required as a result of future health mandates. You agree to complete them, and acknowledge that if you refuse to do so, you forfeit your registration fee and are not allowed to participate until you have completed those requirements.
28. I understand that there may be a short notice closure as a result of COVID19 related mandates. As a result, I acknowledge that I understand that the season may be cut short for various reasons that include but are not limited to City, Borough, State, and Federal requirements of the Boys & Girls Clubs of the Kenai Peninsula. I understand that in the event of a season cut short under this part of the acknowledgement, then I will receive a refund in accordance to the refund policy.

FOR PARENTS/GUARDIANS

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Boys & Girls Clubs of the Kenai Peninsula ("Club") has put in place preventative measures to reduce the spread of COVID-19; however, the Club **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the Club could increase** your risk and your child(ren)'s risk of contracting COVID-19.

.....

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.
