

The following is the COVID-19 Mitigation Plan for the Boys & Girls Clubs of the Kenai Peninsula Athletics Program:

1. Anyone exhibiting the following symptoms MAY NOT enter the premises while there are ongoing athletics activities. If a parent or guardian is exhibiting these symptoms the youth may not participate in the programming until 72 hours has passed from the last symptom and/or fever.
  - a. Cough
  - b. Shortness of breath or difficulty breathing
  - c. Fever
  - d. Chills
  - e. Muscle Pain
  - f. Sore throat
  - g. New loss of taste or smell
  - h. Any additional symptoms consistent with COVID-19 as updated by the State of Alaska and the CDC.
2. Outdoor activity is limited to 50 individuals in total. We will ask any individual(s) who come in with more than one person per athlete to leave. No more than 20 athletes will be included in programming at a time.
3. Athletic activity will take place outside. There will be no athletic programming inside for the duration of the summer.
4. Social distancing of at least ten feet between non-household individuals will be required where possible.
5. During games and scrimmages, no more than 20 participants will be in play.
6. Youth under the age of 10 will require one parent or guardian with them for the duration of the athletic activity.
7. Only one parent or guardian is allowed during the athletic program to keep the total number of individuals under the State requirement.
8. Each athlete is required to complete a health questionnaire before beginning each outdoor activity.
9. Rented restroom facilities will be cleaned hourly by the athletic director, assistant athletic director, or an athletic staff member.
10. Balls and athletic equipment will be sanitized regularly.
11. Hand sanitizer will be provided and participants will be required to use it at the start of the athletic activity.
12. Each participant and employee will be health screened prior to the start of athletic activities.
13. Individuals may not hug each other and social distancing will be emphasized between youth. Where possible, youth will not be allowed to physically engage with each other unless they are from the same household.
14. All individuals are subject to health status screening prior to the start of the program. Athletes and employees will be screened prior to the start of the athletic activity.

15. All individuals and employees will be tracked and an attendance sheet for each day will be kept.
16. Employees will receive training and written information regarding CDC and State of Alaska requirements to have for review and continued mitigation of the spread of COVID19.
17. Individuals who are not following the mitigation plan, or who meet criteria that would cause concern for the spread of COVID19 will be required to leave the premises.
